

AMENDMENTS TO THE CLAIMS

The claims are amended as follows:

Please cancel claims 1-25.

Please add claims 26-30.

LISTING OF THE CLAIMS

Claims 1-25 (Cancelled)

26. (new) A method of treating glaucoma or ocular hypertension which comprises topically administering a therapeutically effective amount of a single composition comprising an effective amount of brimonidine and an effective amount of timolol in a pharmaceutically acceptable carrier thereof, to the affected eye.
27. (new) The method of claim 26 wherein the concentration of brimonidine is about 0.01% to about 0.5% by weight, and the concentration of timolol is about 0.1% to about 1.0% timolol by weight.
28. (new) The method of claim 26 wherein the concentration of brimonidine is over 0.1% to about 0.2% by weight, and the concentration of timolol is over 0.25% to about 0.5% by weight.
29. (new) The method of claim 26 wherein the concentration of brimonidine is about 0.2% to about 0.5% by weight, and the concentration of timolol is about 0.5% to about 1.0% by weight.
30. (new) The method of claim 29 wherein the concentration of brimonidine is about 0.2% by weight and the concentration of timolol is about 0.5% by weight.
